

I have at last managed to arrange the next Forum/meeting. It will be on Thursday 15th December 2010 at The Palatine School, Palatine Road, Goring-by-Sea, BN12 6JP. Doors open at 18:45.

The guest speaker will be Andy Horner from The West Sussex Fire Service and he will give a presentation on the type of work that the service do in relation to educating young drivers. This should be a very informative evening so please make every effort to come along and support the event.

We will also be presenting a cheque to the school for a £1000 in respect of monies raised via our golf day and membership contributions.

If you know of any instructors that are not members please encourage them to come along and they will get free entry if they join on the night (otherwise it will be £5 entry). There will also be a raffle.

It would be helpful from a numbers point of view if you could let me know if you are coming.

I have also arranged another skid pan event and I am determined that this one will go ahead!

The date is Sunday 13th February 2011 from 10am to 1pm. This event will be held at Goodwood and will cost £50. It is open to any full licence holder whether it be members, ex pupils, family, friends or any other Tom Dick or Harry! If you are interested please send me a cheque payable to ASDI for £50 to: **CONTACT US FOR ADDRESS**

I would like to thank Paul Witheyman who is doing a marvellous job in arranging events etc to raise money for Palatine School. Please support these events and if you wish to go to the charity dance night on 22nd January hurry as places are running out fast. It should be a superb evening and I really don't like dancing!

There are still a few of you who have not renewed your membership. If you wish to continue your membership please hurry up and do so. If I don't receive renewals by Sunday 12th December I will assume you do not wish to renew.

Finally if there are any members who are interested in doing the City & Guilds Preparing to Teach in Lifelong Learning Sector (PTLLS) course then please give me a call. This qualification will give you skills in delivering presentations and classroom teaching to adults and is recognised by many bodies in the training industry including West and East Sussex County Councils. The DIA are looking to set up a course in this area in the very near future and so far there are at least 5 members who have an interest in doing this course. If ASDI can set up a venue this will help reduce the cost to around £420.00. If you are interested then please give me a call or send me an e-mail for more details.

Please keep an eye out for any future e-mails

All the best

Rob Ward
