

Hi everyone.

Just an update on some forthcoming events.

The DIA AGM is to be held on Monday 28th March at The Broadfield Football Stadium (the home of the mighty Crawley Town!). As in previous years ASDI will pay for 4 tickets to attend this event. This year we can actually supply 5 tickets because for every 5 tickets booked through an association the DIA will give us a place free.

If you wish to go it will be on a first come first served basis for the free tickets. If you miss out on those and still wish to go if you book through ASDI as long as we get 6 bookings we can get tickets for £40 instead of £47.50.

The Forum on the 9th March is definitely going ahead and Mike Frisby will be coming down from the DIA to talk about CPD and various other industry initiatives the DIA are getting involved with. There will also be a short presentation on the use of reflective journals to record and enhance your CPD.

At the moment I am not 100% sure about the venue. It will either be at Palatine School again or possibly a venue in Arundel to help centralise things - watch this space.

All those who are interested in doing the PTTLS course through the DIA it is planned to run the course at the beginning of May. If we have enough people who wish to do the course from this area then it will be run down here. If not then it will be run from the DIA head offices in Croydon. The cost will be around £400 and it will be either one day a week for 4 weeks or one day every other week until completion of the 4 days.

If you definitely want to do this course then please let me know.

The skid pan on 13th February is now SOLD OUT!
