

Hi everyone

Please note the following events that are coming up:

The PTTLS course has finally been arranged. At present there are 5 definite people taking part but there is room for a few more if you are interested. The dates of the course are the 9th May, 26th May, 6th June and 20th June. Each day will be 7.5 hours 9am to 5.30pm, half hour for lunch and 2 15 minute breaks. The cost of the course itself will be £350.00 and will be run by the DIA. There may be an additional cost for the use of the venue; this will be no more than £30. it all depends on the venue secured and the amount of people who end up doing the course. If you are interested let me know ASAP as time is running short.

In case you have forgotten or did not see the e-mail there is a skid pan event being held at Goodwood on Sunday 1st May from 13.30 to 16.30. The cost is £50 and is open to any full licence holder. Again let me know if you are interested.

The next forum will be on Thursday 19th May to be held somewhere in Chichester. I hope to sort this out this week. After the lively discussion that developed at the end of the last forum it has been decided that the subject will be coaching where Louise Bruton and Blaine Walsh will be coming along to hold a forum on this subject which is very topical at the moment. I will advise of the times and venue in the next couple of weeks.

Finally, if anyone is interested in visiting the Tank Museum at Bovington in Dorset where there will be an opportunity to go into the workshops and to have rides on the tanks then please let me know. I am looking to arrange this on a Friday and it will be an all day thing. At the moment I am looking for interest. The cost will be £12 per adult, £7.50 per child and for any oldies amongst us £9 per OAP. If we can get 12 or more then we can get a group booking of £8 per adult, £5 per child and £6 per adult. If we have more than 10 I will hire a minibus for the day where the cost will be covered by ASDI.

Many thanks

Rob
